

ghostly Make 10

Directions:

Mix up the number cards and place them face down.

Take a card. Using one color, place counters on that many ghosts on the mat.

Using the second color, place counters on the remaining ghosts.

Write the number combination.

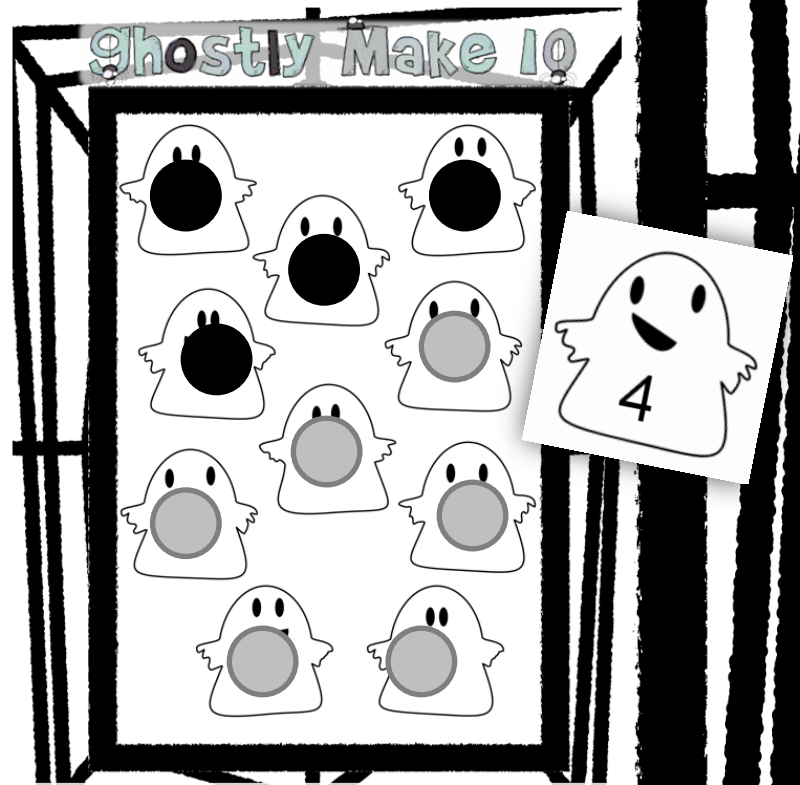

Choose another card and repeat the steps. Can you find them all?

Object:

Students will practice combinations for 10

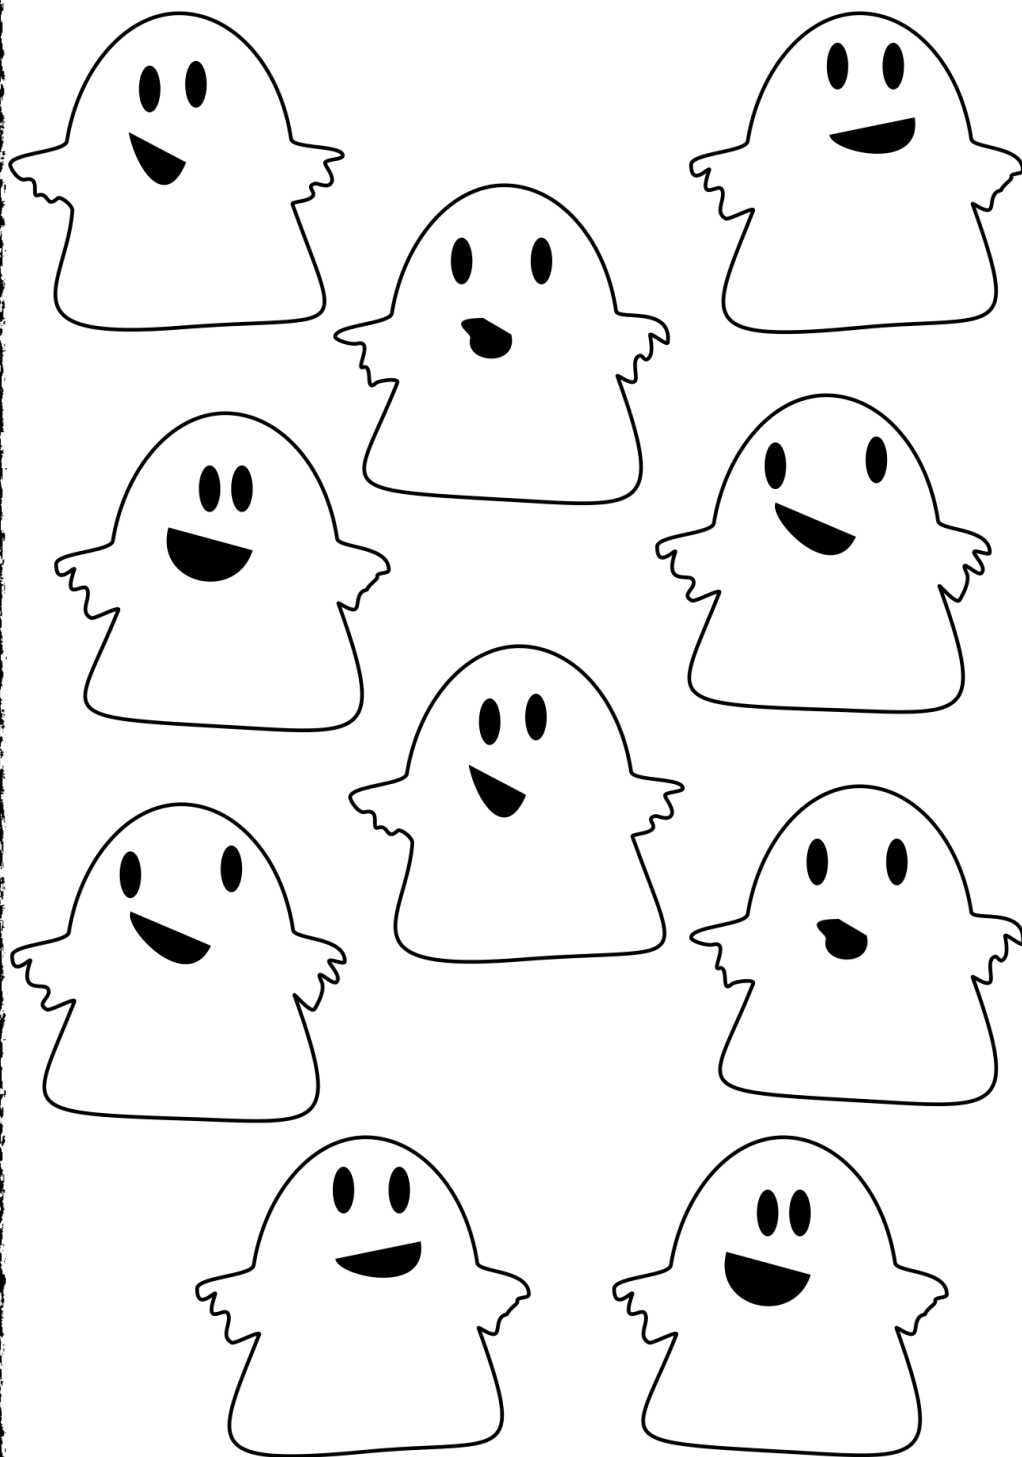

Materials:

- Ghostly Make 10 Mat
- Two color counters
- Number cards
- Optional recording sheet

$$4 + 6 = 10$$

ghostly Make 10

Name: _____

Write your combinations for 10.

| | |
|--|---|
|  +  = 10 |  +  = 10 |
|  +  = 10 |  +  = 10 |
|  +  = 10 |  +  = 10 |
|  +  = 10 |  +  = 10 |
|  +  = 10 |  +  = 10 |
|  +  = 10 | Boo! Good for you! |
